Packaging and Wt.	Warehouse & Shipping
Fibre board - 4 pounds.	

INSTRUCTIONS TO SUPPLIER:

Supplier must identify each shipping container externally by:

1. Castle & Cooke Raw Material Number.
2. Purchase Order Number.
3. Package Name.
4. Supplier's Name and Address.

These must be plainly visible on the container. The Castle & Cooke Raw Material Number shall be three inches (3") high and centrally positioned on the bottom butt of the face of bags, on one long side of containers, and on the cover near the top of the side of drums.

GENERAL CONDITIONS:

1. Material supplied under this specification must comply with the Federal Food, Drug and Cosmetic Act, as amended, and supplier must execute Continuing Guaranty Agreement to this effect.

2. Specification may not be modified or superseded orally. Modifications or waiver effective only if in writing and signed by Castle & Cooke Buyer.

STORAGE, SHIPMENT AND PACKAGING:

1. Indirect additives, if any, from shipping containers, liners, tanks, etc. shall consist only of those approved by FDA according to lists published in the Federal Resister.

Specification	T. P. No.	Standard & Tolerance
Fish box liners, 100#, 40 x 16 x 33 x 2 mil.		

Packaging and Wt.	Warehouse & Shipping

INSTRUCTIONS TO SUPPLIER:

Supplier must identify each shipping container externally by:

1. Castle & Cooke Raw Material Number.
2. Purchase Order Number.
3. Package Name.
4. Supplier's Name and Address.

These must be plainly visible on the container. The Castle & Cooke Raw Material Number shall be three inches (3") high and centrally positioned on the bottom butt of the face of bags, on one long side of containers, and on the cover near the top of the side of drums.

GENERAL CONDITIONS:

1. Material supplied under this specification must comply with the Federal Food, Drug and Cosmetic Act, as amended, and supplier must execute Continuing Guaranty Agreement to this effect.

2. Specification may not be modified or superseded orally. Modifications or waiver effective only if in writing and signed by Castle & Cooke Buyer.

STORAGE, SHIPMENT AND PACKAGING:

Indirect additives, if any, from shipping containers, liners, tanks, etc. shall consist only of those approved by FDA according to lists published in the Federal Resister.

ALL TESTING PROCEDURES (TP'S) REFERRED TO ABOVE ARE AVAILABLE TO SUPPLIERS ON REQUEST
